

Create Service Instance

The screenshot displays the IBM Cloud 'Resource list' interface. At the top, there's a navigation bar with the IBM Cloud logo and a search bar. Below this, a 'Resource list' header is visible. The main content area features a table with the following columns: Name, Group, Location, Product, Status, and Tags. The 'Compute' group is expanded, revealing a list of resources. One resource, 'Db2-dg', is shown with a status of 'Active'. The interface also includes a sidebar with navigation icons and a bottom status bar showing system information like temperature and time.

| Name | Group | Location | Product | Status | Tags |
|---------------------------------|---------------------------|-----------|-----------|-----------|-----------|
| Filter by name or IP address... | Filter by group or org... | Filter... | Filter... | Filter... | Filter... |
